ICE MONITORING

Ice monitors make it possible for skaters to have their music played, they track attendance and make it possible for people to use coupons and walk-on to skate. Ice monitoring is also an easy way to support the club and get to know other skaters and families.

We ask that each skater (or skater's family) to **monitor a minimum of 5 sessions (1 block)**. *Please sign up for one block of monitoring (each block is 5 or 6 weeks). List 1st and 2nd preferences. Pick early to receive your first preference.*

Monitor duties may be performed by an adult family member or a skater at least 18 years of age. The week prior to your block, meet with monitor for over view of procedure or an experienced ice monitor can show new monitors how the system works.
