ICE MONITORING

Ice monitors make it possible for skaters to have their music played; they track attendance and make it possible for people to use coupons and walk-on to skate. Ice monitoring is also an easy way to support the club and get to know other skaters and families. We ask that each skater (or skater's family) **monitor a minimum of 5 sessions** Monitor duties may be performed by an adult family member or a skater at least 18 years of age. An experienced ice monitor will show new monitors how the system works.

Volunteer Coordinator Robin Cooley (Cooley@pwqy.net) will send out a scheduling request: pick your dates!
