ICE MONITORING

Ice monitors make it possible for skaters to have their music played, they track attendance and make it possible for people to use coupons and walk-on to skate. Ice monitoring is also an easy way to support the club and get to know other skaters and families.

****** Keeping the discount for Ice Monitors for the 2018-2019 season.....**

HALF PRICE ICE FOR ICE MONITORS!!!!

We will select our ice monitors using a lottery system. Applications to ice monitor are due by Monday August 13, 2018 and the drawings will take place on Wednesday August 15, 2018. A skater (or parent) may enter the lottery one time for each session of ice contracted. A skater (parent) does not have to enter the lottery for the session of ice you have contracted for (ie, if the skater contracts for Sundays 1st session they could enter the lottery to monitor Sundays 2nd session). Ice monitors will receive the session of ice for which they are contracted for **HALF PRICE**. A skater (parent) may be selected to monitor only one session of ice unless there are open monitor spots available.

Please note: Ice monitors must commit to monitoring their selected session of ice for the entire regular season. Ice monitors will be required to sign an ice monitor contract and attend ice monitor training prior to the start of our season in September. If the ice monitor is unable to monitor a session it is their responsibility to find a trained ice monitor to cover for them. Failure to do so will result in a breach of the ice monitor contract and may result in their loss of ice compensation.

To enter the monitor lottery please see the last page of the ice contract and submit the application **by August 13, 2018**. Monitor duties may be performed by an adult family member or a skater at least 18 years of age.
