*****CONTRACTS DUE TO ICE COORDINATOR BY 3/28/2020*****

Please note: We will be opening up the Spring Ice to VSA/IP students after March 28th. To ensure your spot, please speak to your coaches for coordinating lesson times. This is why the Spring Contract is going out earlier than usual. Thank you for your understanding! - CVSC

Spring Coupon Booklet Purchase Option. Skaters may purchase books of 5 good for any CVSC ice session with space available. Spring coupons are valid during the spring ice season: April 28, 2020 to June 14, 2020 (Leddy/Gutterson coupons may not be used on spring ice). The skater will be assessed a walk on fee if the coupon is not presented to the ice monitor. Coupons **will not** be replaced if lost. Coupons may be used by the purchasing skater or an immediate family member and are not transferable.

Walk-on Option: The walk-on rate is **\$20 per session**. All walk-on skaters must be members of US Figure Skating or Basic Skills members of USFS. Priority is given to full CVSC members. Full CVSC members may register for walk-on sessions up to one week in advance with the ice monitor. (Note that reserved space is considered a contract and must be paid even if the skater does not skate during the reserved time).

MAKE UP SESSIONS/LOST COUPONS

^{1*} Only full or associate CVSC members may purchase contracts or coupons. Membership forms may be found on the CVSC website <http://www.champlainvalleyskatingclub.org>. ICE MONITORING – half price ice for ice monitors!! Enter the lottery!

Ice monitors make it possible for skaters to have their music played; they track attendance and make it possible for people to use coupons and walk-on to skate. Ice monitoring is also an easy way to support the club and get to know other skaters and families.

We will select our ice monitors using a lottery system. **Applications are due by March 28, 2020 to the Ice Coordinator (Jessica Martorella) and the drawings will take place on April 4, 2020.** A skater (or parent) may enter the lottery one time for each session of ice contracted. A skater (parent) does not have to enter the lottery for the session of ice you have contracted for (ie, if the skater contracts for Sundays 1st session they could enter the lottery to monitor Sundays 2nd session). Ice monitors will receive the session of ice for which they are contracted for **HALF PRICE**. A skater (parent) may be selected to monitor only one session of ice unless there are open monitor spots available.

Please note: Ice monitors must commit to monitoring their selected session of ice for the entire spring season. Ice monitors will be required to sign an ice monitor contract and attend ice monitor training prior to the start of our season in September. If the ice monitor is unable to monitor a session it is their responsibility to find a trained ice monitor to cover for them. Failure to do so will result in a breach of the ice monitor contract and may result in their loss of ice compensation.

To enter the monitor lottery please see the last page of the ice contract and submit the application by March 28, 2020. Monitor duties may be performed by an adult family member or a skater at least 18 years of age.
